

FOR IMMEDIATE RELEASE

CAMTRAN ISSUES STATEMENT ON JOHNSTOWN INCLINED PLANE REHABILITATION PROJECT

Johnstown, PA – September 23, 2024. After months of investigation by an independent contractor, and coordination with state safety oversight a change directive has been issued and the sheave wheels will be removed, repaired and installed. Safety remains our highest priority. The Johnstown Inclined Plane Rehabilitation is 92% complete.

For further information, please contact: Rose M. Lucey-Noll, Executive Director at (814) 535-5526 Ext 201.
