

## **UPDATE ON THE JOHNSTOWN INCLINED PLANE REHABILITATION PROJECT**

**Johnstown, PA** -(January 30, 2026) The Cambria County Transit Authority (CamTran) is providing the following update for work completed on The Johnstown Inclined Plane Rehabilitation Project in January 2026.

### **January 2026 – THE INCLINED PLANE REHABILITATION UPDATE:**

- There is one remaining item under the Labor & Industry (L&I) comments and it will be addressed soon.
- The East Haul Brake band was removed, the band arc was adjusted at the shop, and reinstalled.
- The new torque wrench testing apparatus was built.
- The communication systems on the Incline cars were tested and are working as intended.
- The electrical room fan controller is completed.

### **Next Steps:**

- Adjusting safety gate so it operates as intended which is the last item on L & I list identified during commissioning.
- L & I will be scheduled to return to Incline once last punch list item is completed.
- In accordance with state requirements, all maintenance work will be completed by staff during a 30-day period before the State Safety Oversight Office (SSO) returns to conduct final testing. Once the Incline successfully passes inspection, approval will be granted to reopen to the public.
- Operator and Conductor training will be scheduled and conducted concurrently with the 30-day maintenance period.
- A reopening date will be confirmed after final inspections, and all required training has been completed.

**Asiago's restaurant, located in the Inclined Plane's Visitor's Center, remains open throughout the duration of the project.**

The public can stay up to date by visiting the CamTran and The Johnstown Inclined Plane Facebook pages, as well as checking the official Johnstown Inclined Plane website for project updates at [www.inclinedplane.org](http://www.inclinedplane.org).

At CamTran, public safety is our top priority, and we remain fully committed to reopening the Inclined Plane.
